Printed in 1992.

The East Asia Geographic Map Series has been prepared by the U.S.Geological Survey (USGS) as a contribution to cooperative programs with the Committee for Coordination of Joint Prospecting of Mineral Resources in Asian Offshore Areas (CCOP). Maps in this series are for use in the compilation and display of geoscience, resource, and environmental information in East Asia, including the results of activities carried out under the Agreement for Cooperation between CCOP and the Ocean Pacific Council for Energy and Mineral Resources (OPCEMR). Walter F. Hibbard, Chairman. Copies of maps published in this series are available from the following address:

CCOP, ORSC Building,
75/10 Rajdamri Nua Road
Bangkok 10500, Thailand
